

## Mounting Suggestions for the Honda VTX 1300 & VTX 1800C Tank Bib

### Mounting of Mustang Tank Bib

1. Remove gas cap and three 5mm Allen bolts from dash.
2. Remove seat.
3. Lift dash and position tank bib around and under dash mounts.
4. Reinstall dash and gas cap.
5. Attach rear of tank bib around frame with supplied ties.
6. Reinstall seat.
