

## Mounting Suggestions: Honda VT1100 ACE & ACE Tourer 1995-01 Fender Bib

### Mounting of Mustang Fender Bib

1. Remove seat.
2. Align bib on fender using rear fender screw to attach bib.
3. Attach front of fender bib with supplied Velcro®.
4. Install solo.

*NOTE: Mustang recommends removal of fender bib before reinstalling rear seat. Mounting a rear seat over a fender bib may result in damage to the bib, poor seat alignment or other problems.*

Plain

Studded

**Enjoy the custom look of your Mustang Fender Bib!**

These steps are guidelines to help you install your new Mustang product.
